

Career Speaker

Help youth learn about career paths directly from professionals in the field!

Career Speaker, a World of Choices program, brings grade 6-12 students together with career mentors working in desired fields, industries and professions.

In small sessions, students learn first-hand what it takes to be successful. Each student can participate in interactive sessions that will open up a world of choices for Canada's youth.

Volunteer-Led Programs

- ▶ JA volunteer(s) facilitate the program activities adding their industry knowledge and perspective to the lessons
- ▶ Programs are offered in-class, virtually or live as permitted
- ▶ Teacher manages access and supervises students during the program
- ▶ Programs run anywhere from 30-90 minutes depending on age group
- ▶ Timing and duration of program is flexible

Key Learning Objectives

After completing the program, students will be prepared to:

- Become empowered to succeed in designing a career path
- Develop the tools to better meet challenges of today's work world
- Capitalize on career opportunities in emerging, traditional, and non-traditional fields
- Gain a better understanding of careers and the educational foundation needed
- Discover educational opportunities and training
- Develop a proactive attitude about a future career

This JA program can assist educators and students in achieving curriculum objectives.

I liked hearing about the mentors' personal journeys. It helped remind me that everyone goes through challenges and that they'll eventually get to where they need to.
