

Enrol Your Class

JA programs help youth prepare for the jobs of the future, develop financial independence, and cultivate an entrepreneurial mindset. They are:

- Available to all schools, communities and organizations
- Provided free of charge
- Presented in-class or online
- Customizable to suit participants
- Supplemented with printed or digital resources
- Facilitated by industry professionals
- Aligned with B.C.'s curriculum
- Available in French (some exceptions)

JABC has been making the future bright for over 65 years. Enrol your class today!
