

## PICK MY BRAIN

### Career Education

**Program Options:** Facilitated by a JA Volunteer

**Grades K-12**

Much like a speakers bureau, JABC Pick My Brain connects JABC volunteers with educators who are searching for dynamic guest speakers for their classrooms.

### Learning Experience Highlights

- Explore real-world careers from professionals
- Engage in interactive virtual talks and ask questions
- Get inspired and discover new career possibilities

### About Pick My Brain

- Offered online with sessions ranging from 30 to 60 minutes
- Features inspiring guest speakers from diverse industries
- Students participate in interactive Q&A with career mentors
- Flexible and dynamic format tailored to classroom schedules
- Free access for B.C. educators to a variety of screened and trained JABC volunteers
- Educators can browse and schedule virtual career talks based on student interests
