

# JABC Free .CA domain & 1-Page LiteSite Website

JABC landing page: <https://www.webnames.ca/free-ca-website-jabc>

The screenshot shows the webnames.ca website. At the top, the logo 'webnames.ca' is in red. To its right is a navigation menu with links: Domains, Websites & Hosting, Email, SSL & Security, Corporate Services, and My Account. Below the navigation, there's a large banner with a light blue background on the left and a photo of two young women looking at a laptop on the right. The text on the banner says 'Find your perfect .CA domain and create a 1-page website for FREE'. Below this text are two logos: 'JA British Columbia' and 'Member of JA Canada'. At the bottom of the banner is a search bar with the text 'example.ca' and a green 'Search' button.

## Welcome JABC Students and Community

Search for and select your free .CA domain above 🙌

Follow the steps to create an account and complete your registration (no charges will apply) 🙌

Free services provides by Webnames.ca:

- 1-year .CA domain registration
- Custom email (eg. [name@exampledomain.ca](mailto:name@exampledomain.ca))
- 1-page mobile friendly, HTTPS secure website (website builder with template options)

The redemption process is shown in the screens below.

No payment information is required to complete the registration / "purchase".

Students will need to create a Webnames account and agree to .CA terms and conditions as part of the process.

The above products are free for one year.

Prior to expiry the student will receive renewal notifications prompting them to renew (\$50/year thereafter) if they wish.

Renewal is 100% optional.

The last screen shows where students can access their new .CA domain, email and LiteSite to set them up, with links to set-up documentation. They are also welcome to contact the Webnames customer support team if they require any additional assistance.
