

DOLLARS WITH SENSE

Grades 7-9

Financial Literacy

ABOUT THE PROGRAM

Students gain essential personal money management skills and learn how to apply them in everyday life, building financial confidence and preparing for real-world decisions that support long-term success.

Program Length: 4 hours

Program Format: In-Class or Online

Supports Curriculum: Math, Career Education

Provided Resources: Classroom presentation, interactive digital resources, and a physical kit or resources for activities/games*

*physical kit for in-class/in-person programs

[Learn More](#)

What will students do and learn?

- Analyze scenarios to determine the best method of payment
- Work as a group to develop a project budget for an event
- Learn about different investing and savings vehicles and the factors that influence market value
- Explore the role of interest in making wise spending and saving decisions
- Explore how certain actions and decisions can impact credit scores

“

These foundational lessons go beyond dollars and cents, they are about preparing youth to make confident, smart and empowered decisions for the future.

”

Grade 7 Teacher

How do I access this JA program?

Step 1

Enrol at jabc.org/connect.

Step 2

A JABC team member will follow up to coordinate details for teacher-led programs or to coordinate a volunteer to facilitate the program. Volunteer availability may vary by location.

Step 3

Access the online resources for your program on jacampus.org and receive a physical kit mailed directly to your school. If a volunteer will be facilitating the program, these details will be shared with the volunteer.

Access to online resources requires setting up a free JA ID and using a program access code (provided by your local JA office).
