## What will students do and learn?

- Identify a long-term goal and the steps to achieve it
- Consider different post-secondary options and opportunities
- Develop a monthly budget for independent living
- Create a personal brand profile
- Play a board game to explore how new opportunities and building skills for success can help them achieve their future career goals

“

From building personal budgets to exploring career options, it was inspiring to see young minds thinking about their futures, asking smart questions, and starting to shape their own definitions of success.
