Learn More

What will students do and learn?

- Identify a long-term goal and the steps to achieve it
- Consider different post-secondary options and opportunities
- Develop a monthly budget for independent living
- Create a personal brand profile
- Play a board game to explore how new opportunities and building skills for success can help them achieve their future career goals

> From building personal budgets to exploring career options, it was inspiring to see young minds thinking about their futures, asking smart questions, and starting to shape their own definitions of success.

How do I access this JA program?

Step 1

Enrol at jabc.org/connect.

Step 2

A JABC team member will follow up to coordinate details for teacher-led programs or to coordinate a volunteer to facilitate the program. Volunteer availability may vary by location.

32,000+

youth participated in this program during the 2025-26 year.

Step 3

Access the online resources for your program on jacampus.org and receive a physical kit mailed directly to your school. If a volunteer will be facilitating the program, these details will be shared with the volunteer.

Access to online resources requires setting up a free JA ID and using a program access code (provided by your local JA office).
