Learn More

What will students do and learn?

- Identify the role of money in everyday life
- Play a board game to earn money for a business start-up scenario
- Match their interests to potential business ideas
- Create a business plan for a start-up
- Engage in hands-on games, including a board game on repaying a business loan and a bingo-style math activity

> One of my favourite parts of the program is the Business Board Game. The students track their money inflows and outflows using a Money Tracking Journal, and things get competitive fast. It's fun, energetic, and where some of the best learning happens.

How do I access this JA program?

Step 1

Enrol at jabc.org/connect.

Step 2

A JABC team member will follow up to coordinate details for teacher-led programs or to coordinate a volunteer to facilitate the program. Volunteer availability may vary by location.

28,000+

youth participated in this program during the 2025-26 year.

Step 3

Access the online resources for your program on jacampus.org and receive a physical kit mailed directly to your school. If a volunteer will be facilitating the program, these details will be shared with the volunteer.

Access to online resources is provided through shared JA Campus login credentials supplied by your local JA office.
