***physical kit for in-class/in-person programs**

Learn More

What will students do and learn?

- Discuss factors that will affect the cost of living in the future
- Create a savings plan and explore the risk profiles of different investment vehicles
- Play a card game to explore budgeting concepts
- Match credit facts with real-world scenarios
- Create a public service announcement about a risk management lesson learned

Personal Finance | Grades 11-12

> Teaching students the fundamentals of budgeting and personal finance are some of the most beneficial materials to go over in high school.
>
> JA Teacher

How do I access this JA program?

Step 1

Enrol at jabc.org/connect.

Step 2

A JABC team member will follow up to coordinate details for teacher-led programs or to coordinate a volunteer to facilitate the program. Volunteer availability may vary by location.

15,000+

youth participated in this program during the 2025-26 year.

Step 3

Access the online resources for your program on jacampus.org and receive a physical kit mailed directly to your school. If a volunteer will be facilitating the program, these details will be shared with the volunteer.

Access to online resources requires setting up a free JA ID and using a program access code (provided by your local JA office).
